

DOT INSPECTIONS

DOT Inspection, Do You Need It?

If a truck is in the UNITED STATES, COMMERCIAL, OVER 10,001 POUNDS OR CARRYING HAZARDOUS MATERIALS regardless of weight, the TRUCK IS REQUIRED to have an ANNUAL FEDERAL INSPECTION. The same applies for all trailers over 10,001 pounds, or truck/trailer combination over 10,001 pounds.. A commercial motor vehicle is defined as any self-propelled or towed motor vehicle used on a highway in interstate (between states) or intrastate (within a single state) commerce to transport passengers or property.

At Truck Service, Inc. our DOT inspections will help keep you in compliance with all applicable DOT regulations. Our inspectors are knowledgeable, trained and certified in the heavy truck repair industry and know what to look for during the inspection of your vehicle.

According to the CVSA (Commercial Vehicle Safety Alliance), if you are placed "Out of Service" the cost to you will average \$861 not including charges for fines or emergency service repairs as a result of the inspection.
